Recognized Marks of Quality

"Standard" PLUMBING FIXTURES

IN WHITE OR COLOR

The Trade Mark "Standard" is the universally recognized mark of quality in plumbing fixtures. For your protection "Standard" Plumbing fixtures, in white or color, have the following marks of identification.

"Standard"

"Standard" Plumbing Fixtures of genuine vitreous china have the trade-mark "Standard" printed permanently in the ware.

"Standard" Plumbing Fixtures made of regular enamel have the trade-mark "Standard" printed permanently in the ware.

"Standard"-A-R

"Standard" Plumbing Fixtures made of acid-resisting enamel have the trade-mark "Standard" -A-R printed permanently in the ware.

RE-NU

"Standard" Brass Goods bear the trade-mark "Standard" either stamped in or cast on the brass. The word RE-NU on "Standard" Brass Goods indicates renewable seats and threads, a "Standard" feature.

Church Seats

"Standard" Water Closets are equipped with genuine CHURCH Seats, which have the above trade-mark pressed permanently in the under side of the seat.

When executing your contract, clearly specify that all plumbing fixtures and fittings bear the above marks of identification. Insist that all fixtures be complete with "Standard" Brass Goods to insure harmony in design, satisfaction and one source of responsibility.
